## Austin 12 'Doctors Coupe'

**£9,750.00**

Please note this vehicle is stored elsewhere, please contact to view.

Originally a fabric 4 door saloon, converted as many were into a pickup during the war, before being fitted with a doctors coupe body in the early 1980's. Much money spent over the years on engine etc. Starts on the button, indicators and dip beam fitted etc. Previous owner regularly did 150+ miles per day in her. Lovely Patina.
